FACIAL COVERING REQUIREMENT AGREEMENT

The past few months have been difficult for everyone. Navigating through uncharted territory as the COVID-19 pandemic changes the way we live our lives and conduct our businesses. Mandatory closures, reduced operations and strict regulations on how to operate safely during a pandemic have created great strain on nearly all businesses, particularly those that are small and locally owned. Goldcoast Ballroom has been a respected part of our local community and the dance community for nearly 23 years. That respect has been earned by operating in a responsible and ethical manner and attracting a clientele who share similar morals. The dance community has always appreciated what Goldcoast Ballroom has brought to the industry and demonstrated their willingness to nurture and protect the future of Goldcoast Ballroom.

County and city ordinances require everyone to wear facial coverings while inside retail establishments which includes Goldcoast Ballroom. It is applicable at all times including while dancing, except when eating or drinking while seated at a table. We are aware that this is uncomfortable but it is a rule we all must follow. In order to effectively enforce this rule we now find it necessary to refuse admission to anyone who does not comply.

Effective immediately, Goldcoast Ballroom employees will no longer remind anyone to properly wear a facial covering. We will now ask anyone who is improperly wearing or removes their facial covering other than for the purpose of eating or drinking, to please leave the premises and not return until after the facial covering ordinance has expired.

We are aware that there are exemptions for people with disabilities or medical conditions that prevent them from wearing facial coverings. For those who fall into this category, please contact us via phone to make special arrangements to rent the dance floor before or after regular business hours while no one else is present. This is for the safety of everyone and for the protection and preservation of Goldcoast Ballroom.
